

TAKE CARE IN MEAL DISTRIBUTION

GLUTEN-FREE MEALS FOR HOME CARE CUSTOMERS

Ensure that gluten-free products or dishes do not come into contact with gluten-free products or ingredients during heating or other handling.

- Check and be aware of the special diet(s) of each customer.
- Check the content of the meals and ensure that they are gluten-free.
- Check that the foodstuffs in the customer's home and any future purchases are gluten-free.
- If necessary, emphasise to the customer the absolute need to adhere to the gluten-free diet.
